

## Tips on how to Find a Cheaper Hotel in Dubai

Tourism is on the rise in Dubai, the city, has almost everything for every one, leisure as well as adventure seeking tourist. Whereas, the old city of Bur Dubai still has a few old souks situated on the west bank of a long wide creek on the other side is busy modern metropolis of Deira with skyscrapers and amenities of a world class city.

Dubai, located in the North-East corner of the United Arab Emirates, is one of the seven emirates which formed federation of UAE. Demographically, Dubai is far more cosmopolitan and liberal in nature to other emirates of the UAE. Though Abu Dhabi is federal capital of this nation, no doubt, Dubai is commercial center of this oil rich nation. Dubai has all for a traveler's delight; it has gulf's warm water, sandy beaches, sunshine through out year. And in shopping and recreational activities the place is filled with unbelievable tax-free bargains. Dubai is shoppers' paradise, here you can have tax-free jewelery, gold, watches, electric goods even cars on a very low prices. Dubai is famous world over for its shopping festivals. For enjoying all comfort and facilities in Dubai, no doubt, you would have to stay in Dubai and it has well deserved a good number of hotels and places for accommodation. There is no dearth of good number of hotels in Dubai and world's only seven star hotels Burj- al- Arab is located in the city Dubai. But among all the splendor and glamour in the hotel and hospitality industry of Dubai, there a good number of hotels are available in respect of prices too. In Dubai, one can also have cheaper hotels too with an ease too. One can have hotel rooms on price as low as \$50 per person for a night on two sharing basis, though you may have to sacrifice some of the comforts if desirous of saving money for you. In case, you are not willing to share your room with anyone still can have a cheaper room merely paying. However, one important point, whatever, cheaper hotel you may choose always keep air-conditioning as priority in fierce and humid heat of the region. You can search for cheap hotels in Dubai from Internet Booking engines like websites that provide suggestions for hotels in various price ranges in tables according to price denomination like dollars, sterling, euro and other major currencies of the world. If you are traveling Dubai after a well intent plan, it would be better to get your hotel booked from a travel agent. It can be more comfortable to discussing the deal face to face with someone. Apart from this Dubai has many international Chains of hotels like Crowne Plaza, the Hilton, Novotel etc and one can keep an eye on their websites for reduced price. The travel advertisement section of national newspaper is other place where a person can have idea about cheaper hotels in Dubai.
